Standard Notes: - Represents zero. (D) Withheld to avoid disclosing figures for individual companies. (NA) Not available. (X) Not applicable.
Includes figures for separately reported central offices and related facilities which were not distributed by type of operation.
Not shown since the cost of supplies purchased fuels and electric energy, contract work, and purchased machinery installed exceeded the sum of value of shipments and receipts and capital expenditures.
Includes figures for 1 metal mining services establishment For Middle Atlantic see also footnote 4.
Includes figures for separately reported central offices and related facilities in Massachusetts.
Includes figures for 2 metal mining services establishments.
Includes figures for 1 metal mining services establishments.
Includes figures for 3 metal mining services establishments.
